Acquisition of Dabur Pharma successfully closed

Fresenius Kabi has successfully closed the acquisition of Dabur Pharma Ltd. In April 2008, the company had announced the acquisition of 73.3 % of the share capital for a price of INR 76.50 per share in cash. Fresenius Kabi has now acquired a further 17.6 % shareholding for a price of INR 76.50 per share in cash through a public offer. Closing of the transaction had also been subject to relevant approvals required under Indian law, which have been received.

The acquisition significantly expands Fresenius Kabi's i.v. drug portfolio and secures its supply of high quality APIs for cytostatics. Dabur Pharma, headquartered in New Delhi, is one of the leading suppliers of generic drugs and active pharmaceutical ingredients (API) to treat cancer. The company holds a substantial number of drug registrations in Asia, Europe and the US.

Dabur Pharma had consolidated revenues of about € 47 million in fiscal year 2007/2008 (April 1, 2007 to March 31, 2008).

Dabur Pharma will be consolidated as from September 1, 2008 in the financial statements of Fresenius Group.
