Fresenius Medical Care completes acquisition of Euromedic's dialysis service business

Bad Homburg, Germany – Fresenius Medical Care AG & Co. KGaA (“the Company” or “Fresenius Medical Care”; Frankfurt Stock Exchange: FME / New York Stock Exchange: FMS), the world's largest provider of dialysis products and services, today announced that it has completed the acquisition of Euromedic's dialysis service business effective June 30, 2011. This follows final regulatory approvals by the relevant antitrust authorities.¹

###

Fresenius Medical Care is the world's largest integrated provider of products and services for individuals undergoing dialysis because of chronic kidney failure, a condition that affects more than 2 million individuals worldwide. Through its network of 2,769 dialysis clinics in North America, Europe, Latin America, Asia-Pacific and Africa, Fresenius Medical Care provides dialysis treatment to 216,942 patients around the globe. Fresenius Medical Care is also the world's leading provider of dialysis products such as hemodialysis machines, dialyzers and related disposable products.
